

**WHO ARE LIONS?**

Lions meet the needs of local communities and the world. Lions Clubs International (LCI) is a network of individual clubs united in helping others. The 1.35 million members of our volunteer organization in 206 countries and geographic areas are different in many ways, but share a core belief of community.

**Who We Are**

Most members live in Bulverde and Spring Branch. We are a collection of individuals who get together to accomplish more in a group than any of us could do as individuals.

**What We Do**

We try to have fun completing fundraising projects, and seek others to join in and add to the community spirit. The Spring Branch Bulverde Family Lions Club (SBB Lions) was chartered in 1991 as a family club, opening its doors to the men, women, and children of Spring Branch, Bulverde, and surrounding communities. For example:

- Early Childhood Vision Screening and audiometer screening are free services brought to the community by the Spring Branch Bulverde Family Lions Club.
- Toy and Food Drives
- Diabetes awareness events
- Day of Services Back to School Drive

**Where the Money Goes**

One hundred percent of the money raised in our community fundraisers is used to support our community and other civic projects. Some of the programs and activities sponsored or supported by the Spring Branch Bulverde Family Lions Club include:

- Texas Lions Camp which provides a free residential camping experience to children with severe burns, physical disabilities, type 1 diabetes, and cancer.
- College Scholarships
- Curing Preventable Blindness
- Bulverde Area Humane Society
